

Unreal Editor Terms, Disclaimers, and Warranties

Unreal Editor Terms, Disclaimers, and Warranties The Rivals of Aether II Modkit includes the Unreal® Engine code and other code, materials, and information (the "Epic Materials") from Epic Games, Inc. ("Epic"). All Epic Materials are provided on an "as is" and "as available" basis, "with all faults" and without warranty of any kind. Aether Studios, Epic, and Epic's affiliates disclaim all warranties, conditions, common law duties, and representations (express, implied, oral, and written) with respect to the Epic Materials, including without limitation all express, implied, and statutory warranties and conditions of any kind, such as title, non-interference with your enjoyment, authority, non-infringement, merchantability, fitness or suitability for any purpose (whether or not Epic knows or has reason to know of any such purpose), system integration, accuracy or completeness, results, reasonable care, workmanlike effort, lack of negligence, and lack of viruses, whether alleged to arise under law, by reason of custom or usage in the trade, or by course of dealing. Without limiting the generality of the foregoing, Aether Studios, Epic, and Epic's affiliates make no warranty that (1) any of the Epic Materials will operate properly, including as integrated in the Rivals of Aether II Modkit, (2) that the Epic Materials will meet your requirements, (3) that the operation of the Epic Materials will be uninterrupted, bug free, or error free in any or all circumstances, (4) that any defects in the Epic Materials can or will be corrected, (5) that the Epic Materials are or will be in compliance with a platform manufacturer's rules or requirements, or (6) that a platform manufacturer has approved or will approve the Rivals of Aether II Modkit, or will not revoke approval of the Rivals of Aether II Modkit for any or no reason. Any warranty against infringement that may be provided in Section 2-312 of the Uniform Commercial Code or in any other comparable statute is expressly disclaimed by Aether Studios and Epic. Aether Studios, Epic, and Epic's affiliates do not guarantee continuous, error-free, virus-free, or secure operation of or access to the Epic Materials. This paragraph will apply to the maximum extent permitted by applicable law. To the maximum extent permitted by applicable law, neither Aether Studios, Epic, Epic's licensors, nor its or their affiliates, nor any of Aether Studios' or Epic's service providers, shall be liable in any way for loss or damage of any kind resulting from the use or inability to use the Epic Materials or otherwise in connection with this User Agreement, including but not limited to loss of goodwill, work stoppage, computer failure, or malfunction, or any and all other commercial damages or losses. In no event will Aether Studios, Epic, Epic's licensors, nor its or their affiliates, nor any of Aether Studios' or Epic's service providers be liable for any loss of profits or any indirect, incidental, consequential, special, punitive, or exemplary damages, or any other damages arising out of or in connection with this User Agreement or the Epic Materials, or the delay or inability to use or lack of functionality of the Epic Materials, even in the event of Aether Studios, Epic's, or Epic's affiliates' fault, tort (including negligence), strict liability, indemnity, product liability, breach of contract, breach of warranty, or otherwise and even if Aether Studios, Epic or Epic's affiliates have been advised of the possibility of such damages. These limitations and exclusions regarding damages apply even if any remedy fails to provide adequate compensation. Because some states or jurisdictions do not allow the exclusion or the limitation of

liability for consequential or incidental damages, in such states or jurisdictions, the liability of Aether Studios, Epic, Epic's licensors, its and their affiliates, and any of Aether Studios' or Epic's service providers shall be limited to the full extent permitted by law. Use of the Editor (as defined below) is subject to the Unreal® Engine End User License Agreement ("UE EULA"), which may be found at www.unrealengine.com/eula. By downloading or using the Editor, you also agree to the UE EULA. Use of the Marketplace is subject to Epic's Terms of Rivals of Aether II Modkit. By using the Marketplace, you also agree to Epic's Terms of Rivals of Aether II Modkit. Notwithstanding the terms of the UE EULA, you may not use the Editor or any Epic Content (a) with or in connection to any games, projects, products, or services other than the Rivals of Aether II Modkit, or (b) to create or develop any separate or standalone games, projects, products, or services. Your breach of the foregoing will constitute a material breach of both the UE EULA and this User Agreement. If you have entered into the UE EULA, then upon termination of this User Agreement, your license under the UE EULA to use the Editor and any Epic Content will immediately terminate; provided, however, that such termination will not terminate any license you may have under the UE EULA with respect to your use of other versions of the Unreal® Engine.
