

The Bus - Modding Editor EULA

End User License Agreement (EULA) – The Bus Modding Editor

This is a legal agreement between you (either an individual or a single entity) and Aerosoft GmbH referred as the ("Licensor") for the software product accompanying this Agreement. This agreement includes computer software and may include associated media, printed materials, and "online" or electronic documentation referred as (the "Product"). By installing, copying, or otherwise using the Product, you agree to be bound by the terms of this Agreement. If you do not agree to the terms of this Agreement, please, do not install, copy, or use the Product. The Product is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. This Product is licensed, not sold. This License Agreement does not grant you any rights to patents, copyrights, trade secrets, trademarks, or any other rights with respect to the Product.

UNREAL ENGINE EULA AGREEMENT Use of the Unreal Editor that Epic makes available for you to access or download for your use with the Product, and any patches, updates, upgrades and documentation for such Product ("Editor") is subject to the Unreal® Engine End User License Agreement ("UE EULA"), which may be found at www.unrealengine.com/eula, as supplemented by the additional terms and conditions in this Agreement. By downloading or using the Editor, you also agree to the UE EULA. Use of the Marketplace for content ("Content") is subject to Epic's Terms of Service. By using the Marketplace, you also agree to Epic's Terms of Service.

NO COMMERCIAL USE. This Agreement does not grant you the right to use the Product for any commercial purpose other than your personal use and the decision to enter into a commercial license with Licensor for this Product. Commercial purpose includes, but is not limited to, any purpose from which you, an end user of an application developed by you, or another person obtain financial or other consideration and any purpose associated with the operation of a commercial enterprise, even if you do not receive any consideration for that use. Notwithstanding the terms of the UE EULA, you may not use the Editor or any Content (a) with or in connection to any games, projects, products, or services other than the Product, or (b) to create or develop any separate or standalone games, projects, products, or services. Your breach of the foregoing will constitute a material breach of both the UE EULA and this Agreement. If you have entered into the UE EULA, then upon termination of this Agreement, your license under the UE EULA to use the Editor and any Content will immediately terminate; provided, however, that such termination will not terminate any license you may have under the UE EULA with respect to your use of other versions of the Unreal® Engine. In addition to the above, Aerosoft GmbH points out that: The mods created and designed when using the product are subject to the respective property/copyright of the developers/publishers (rights holders). It is prohibited to use the mods outside the purely private area of the user. In particular, extractions into other products are not permitted. The

further EULA also apply to modding accordingly.

NO TRANSFER, MODIFICATION, OR REPRODUCTION. You may not rent, lease, sell, assign, loan, or otherwise transfer the Product. You may not transfer or assign the rights and obligations set forth in this Agreement without Licensor's written consent. You may not remove or destroy any copyright notices or other proprietary markings. You may not modify or adapt the Product, merge the Product into another program, or create derivative works based on the Product. You may not reproduce or distribute the Product without Licensor's written authorization.

NO REVERSE ENGINEERING. In order to protect the trade secrets and proprietary know-how contained in the Product, you will not decompile, disassemble, or reverse engineer the Product except as expressly permitted by applicable law. It's not allowed to produce or publish movies or images of the software product, if it shows casualties or abnormal driving operations.

THIS SOFTWARE IS PROVIDED 'AS IS' AND ANY EXPRESS OR IMPLIED WARRANTIES, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT, ARE DISCLAIMED. IN NO EVENT SHALL THE AUTHOR BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES (INCLUDING, BUT NOT LIMITED TO, PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES; LOSS OF USE, DATA, OR PROFITS; OR BUSINESS INTERRUPTION) HOWEVER CAUSED AND ON ANY THEORY OF LIABILITY, WHETHER IN CONTRACT, STRICT LIABILITY, OR TORT (INCLUDING NEGLIGENCE OR OTHERWISE) ARISING IN ANY WAY OUT OF THE USE OF THIS SOFTWARE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. You agree and acknowledge that Licensor's liability to you for direct or indirect damages for any cause whatsoever, regardless of the basis of the form of the action, would be limited to the price paid to the Licensor for the Software and in the case of this License no amount was paid for this License and therefore you agree that Licensor shall bear no liability for direct or indirect damages for any cause whatsoever, regardless of the basis of the form of the action.

ENTIRE AGREEMENT: This Agreement sets forth the entire understanding and agreement between you and Licensor, supersedes all prior agreements, whether written or oral, with respect to the Product and subject matter hereof, and may be amended only in a writing signed by both parties. The Bus Modding Editor includes the Unreal® Engine code and other code, materials, and information (the "Epic Materials") from Epic Games, Inc. ("Epic"). All Epic Materials are provided on an "as is" and "as available" basis, "with all faults" and without warranty of any kind. Epic, and Epic's affiliates disclaim all warranties, conditions, common law duties, and representations (express, implied, oral, and written) with respect to the Epic Materials, including without limitation all express, implied, and statutory warranties and conditions of any kind, such as title, non-interference with your enjoyment, authority, non-infringement, merchantability, fitness or suitability for any purpose (whether or not Epic knows or has reason to know of any such purpose), system integration, accuracy or completeness, results, reasonable care, workmanlike effort, lack of negligence, and lack of viruses, whether alleged to arise under law, by reason of custom or usage in the trade, or by course of dealing. Without limiting the generality of the foregoing, Epic, and Epic's affiliates make no warranty that (1) any of the Epic Materials will operate properly, including as integrated in the Game (2) that the Epic Materials will meet your requirements, (3) that the operation of the Epic Materials will be uninterrupted, bug free, or error free in any or all circumstances, (4) that

any defects in the Epic Materials can or will be corrected, (5) that the Epic Materials are or will be in compliance with a platform manufacturer's rules or requirements, or (6) that a platform manufacturer has approved or will approve this Game, or will not revoke approval of this Game for any or no reason. Any warranty against infringement that may be provided in Section 2-312 of the Uniform Commercial Code or in any other comparable statute is expressly disclaimed by Epic. Epic, and Epic's affiliates do not guarantee continuous, error-free, virus-free, or secure operation of or access to the Epic Materials. This paragraph will apply to the maximum extent permitted by applicable law. To the maximum extent permitted by applicable law, neither Epic, Epic's licensors, nor its or their affiliates, nor any of Epic's service providers, shall be liable in any way for loss or damage of any kind resulting from the use or inability to use the Epic Materials or otherwise in connection with this Agreement, including but not limited to loss of goodwill, work stoppage, computer failure, or malfunction, or any and all other commercial damages or losses. In no event will Epic, Epic's licensors, nor its or their affiliates, nor any of Epic's service providers be liable for any loss of profits or any indirect, incidental, consequential, special, punitive, or exemplary damages, or any other damages arising out of or in connection with this Agreement or the Epic Materials, or the delay or inability to use or lack of functionality of the Epic Materials, even in the event of Epic's, or Epic's affiliates' fault, tort (including negligence), strict liability, indemnity, product liability, breach of contract, breach of warranty, or otherwise and even if Epic or Epic's affiliates have been advised of the possibility of such damages. These limitations and exclusions regarding damages apply even if any remedy fails to provide adequate compensation. Because some states or jurisdictions do not allow the exclusion or the limitation of liability for consequential or incidental damages, in such states or jurisdictions, the liability of Epic, Epic's licensors, its and their affiliates, and any of Epic's service providers shall be limited to the full extent permitted by law.

DATA PROTECTION Data Protection Declaration Aerosoft GmbH – The Bus Modding Editor Many thanks for your interest in the product „The Bus Modding Editor“. This EULA is the basis on which the Aerosoft GmbH provides you (“user” or “you”) the product and on which you can use them. The data protection declaration of Aerosoft GmbH („privacy policy“), which you can find at <https://www.aerosoft.com/en/data-protection-declaration>, is an integral part of this EULA. By installing or using this product you agree to and accept (1.) this EULA and (2.) the privacy policy as binding.
