

VR FUNHOUSE MOD KIT END USER LICENSE AGREEMENT

Please read this Agreement carefully. This Agreement is a contract between you and NVIDIA Corporation and it explains your rights and obligations related to your use of the Software, as well as any Content and Mods you obtain through the Software or Marketplace (as such terms are defined below). By downloading or using the Software, Content or Mods, or by otherwise indicating your acceptance of this Agreement, you are agreeing to be bound by the terms of this Agreement. If you do not or cannot agree to the terms of this Agreement, do not download or use the Software, Content or Mods. Certain words or phrases are defined to have certain meanings when used in this Agreement. Those words and phrases are defined below in Section 18.

Use of the VR Funhouse Mod Kit (as defined below) is subject to the Unreal© Engine End User License Agreement ("UE EULA"), which may be found at www.unrealengine.com/eula, as supplemented by the additional terms and conditions in Sections 5 and 6 of this Agreement. By downloading or using the VR Funhouse Mod Kit, you also agree to the UE EULA. Use of the Marketplace is subject to Epic's Terms of Service. By using the Marketplace, you also agree to Epic's Terms of Service.

1. License Grant

Subject to the terms and conditions of this Agreement, NVIDIA grants you a personal, non-exclusive, non-transferable, non-sublicensable limited right and license to install and use one copy of the Licensed Materials on a device for your personal entertainment use (the "License"). The rights that NVIDIA grants you under the License are subject to the terms of this Agreement, and you may only make use of the License if you comply with all applicable terms. In all events, your use is for your personal and non-commercial use only.

The License becomes effective on the date you accept this Agreement. The License does not grant you any title or ownership in the Licensed Materials.

2. License Conditions

You may not do any of the following with respect to the Licensed Materials or any of its parts: (a) use it commercially or charge any fees or royalties for the use of the Licensed Materials; (b) copy, reproduce, distribute, display, or use it in a way that is not expressly authorized in this Agreement; (c) sell, rent, lease, license, distribute, or otherwise transfer it; (e) reverse engineer, derive Source Code from, modify, adapt, translate, decompile, or disassemble it or make derivative works based on it; (f) remove, disable, circumvent, or modify any proprietary notice or label or security technology included in it; (g) create, develop, distribute, or use any unauthorized software programs to gain advantage in any online or other game modes; (h) use it to infringe

or violate the rights of any third party, including but not limited to any intellectual property, publicity, or privacy rights; or (i) use, export, or re-export it in violation of any applicable law or regulation.

In no event may Mods be illegal, fraudulent, deceptive, offensive, obscene, threatening, defamatory, invasive of privacy, or infringing of intellectual property rights, or contain software viruses or other malware, as determined by NVIDIA in its sole discretion. Furthermore, with regards to Mods, while you are permitted to reference cooked content which is distributed with the Software, your Mod may not actively redistribute such content.

3. Updates and Patches

NVIDIA may from time to time provide patches, updates, or upgrades to the Licensed Materials that must be installed in order for you to continue to use the Software. NVIDIA may update the Software remotely without notifying you, and you hereby consent to NVIDIA applying patches, updates, and upgrades. Further, NVIDIA may modify, suspend, discontinue, or limit your access to any aspect of the Licensed Materials at any time. You acknowledge that your use of the Licensed Materials does not confer on you any interest, monetary or otherwise, in any aspect or feature of the Licensed Materials, including but not limited to any in-game rewards, achievements, or character levels. You also acknowledge that any character data, game progress, game customization or other data related to your use of the Licensed Materials may cease to be available to you at any time without notice from NVIDIA, including without limitation after a patch, update, or upgrade is applied by NVIDIA. NVIDIA does not have any support obligations with respect to the Licensed Materials. You acknowledge and agree that you are responsible for protecting and backing up your data and information on your device and/or peripherals. It is recommended that you regularly back up any data.

4. Premium Content

Epic may make certain Content available to you, or may facilitate the exchange of certain Content generated by users, through the Epic Marketplace for a non-refundable fee ("Premium Content"). Any use of Premium Content shall be subject to terms and conditions provided for at the Epic Marketplace site.

5. VR Funhouse Mod Kit

Notwithstanding the terms of the UE EULA, you may not use the VR Funhouse Mod Kit or any Content: (a) with or in connection to any games, projects, products, or services other than the Software, or (b) to create or develop any separate or standalone games, projects, products, or services.

Your breach of the foregoing will constitute a material breach of both the UE EULA and this Agreement. If you have entered into the UE EULA, then upon termination of this Agreement, your license under the UE EULA to use the VR Funhouse Mod Kit and any Content will immediately terminate; provided, however, that such termination will not terminate any license you may have under the UE EULA with respect to your use of other versions of the Unreal® Engine.

6. Mods

NVIDIA has the right but not the obligation to monitor and edit or remove any Mods it determines, in its sole discretion, may be illegal, fraudulent, deceptive, offensive, obscene, threatening, defamatory, invasive of privacy, or infringing of intellectual property rights, or contain software viruses or other malware. NVIDIA also has the right to limit or terminate your access to all or part of the Licensed Materials for any or no reason, including without limitation, any violation of this Agreement. NVIDIA takes no responsibility and assumes no liability for any Mods uploaded or shared by you or any third party.

Any Mods you use in connection with the Licensed Materials will not be treated as confidential by NVIDIA, and you authorize NVIDIA to store, host, and distribute any Mods you use to any other user. You represent and warrant that you have all necessary rights to share and license such Mods. If you remove the Mods from the Licensed Materials, NVIDIA may retain copies of your Mod for archival and its own further exploitation. You hereby grant to each user who downloads your Mod a nonexclusive, royalty-free license to use one copy of your Mod on a device solely for the user's personal entertainment. You agree that after downloading your Mod, the users may continue using your Mod even after you stop making the Mod available for download.

7. Feedback

If you provide NVIDIA with any Feedback, you hereby assign to NVIDIA all right, title, and interest (including all copyright, patent, and other intellectual property rights) in that Feedback for all current and future methods and forms of exploitation in any country. If any such rights are not effectively assigned under applicable law, you hereby grant NVIDIA a non-exclusive, fully-paid, irrevocable, transferable, sublicensable license to reproduce, distribute, publicly perform, publicly display, make, use, have made, sell, offer to sell, import, modify and make derivative works based on, and otherwise exploit that Feedback for all current and future methods and forms of exploitation in any country. If any such rights may not be assigned or licensed under applicable law (such as moral and other personal rights), you hereby waive and agree not to assert all such rights. You understand and agree that NVIDIA is not required to make any use of any Feedback that you provide. You agree that if NVIDIA makes use of your Feedback, NVIDIA is not required to credit or compensate you for your contribution. You represent and warrant that you have sufficient rights in any Feedback that you provide to NVIDIA to grant NVIDIA and other affected parties the rights described above. This includes but is not limited to intellectual property rights and other proprietary or personal rights.

8. Ownership

NVIDIA and its licensors own all title, ownership rights, and intellectual property rights in the Licensed Materials. NVIDIA and VR Funhouse are trademarks or registered trademarks of NVIDIA and its affiliates in the United States of America and elsewhere. All rights granted to you under this Agreement are granted by express license only and not by sale. No license or other rights shall be created hereunder by implication, estoppel, or otherwise.

The Software includes certain components provided by NVIDIA's licensors. A list of credits for third party components will be bundled with the Software or otherwise made available online as indicated by NVIDIA and will be incorporated by reference into this Agreement. Also, certain Content has been developed by users or other third parties and licensed to NVIDIA for distribution to you under the License. NVIDIA's licensors may protect their rights if you violate this Agreement.

9. Disclaimers and Limitation of Liability

The Licensed Materials and Mods are provided on an "as is" and "as available" basis, "with all faults" and without warranty of any kind. NVIDIA, NVIDIA, its licensors, and its and their affiliates disclaim all warranties, conditions, common law duties, and representations (express, implied, oral, and written) with respect to the Licensed Materials or Mods, including without limitation all express, implied, and statutory warranties and conditions of any kind, such as title, non-interference with your enjoyment, authority, non-infringement, merchantability, fitness or suitability for any purpose (whether or not NVIDIA knows or has reason to know of any such purpose), system integration, accuracy or completeness, results, reasonable care, workmanlike effort, lack of negligence, and lack of viruses, whether alleged to arise under law, by reason of custom or usage in the trade, or by course of dealing. Without limiting the generality of the foregoing, NVIDIA, its licensors, and its and their affiliates make no warranty that (1) the Licensed Materials or Mods will operate properly, (2) that the Licensed Materials, or Mods will meet your requirements, (3) that the operation of the Licensed Materials, or Mods will be uninterrupted, bug free, or error free in any or all circumstances, or (4) that any defects in the Licensed Materials, or Mods can or will be corrected. Any warranty against infringement that may be provided in Section 2-312 of the Uniform Commercial Code or in any other comparable statute is expressly disclaimed. NVIDIA, its licensors, and its and their affiliates do not guarantee continuous, error-free, virus-free, or secure operation of or access to the Licensed Materials or Mods. This paragraph will apply to the maximum extent permitted by applicable law.

To the maximum extent permitted by applicable law, neither NVIDIA, nor its licensors, nor its or their affiliates, nor any of NVIDIA's service providers (collectively, the "NVIDIA Parties"), shall be liable in any way for any loss of profits or any indirect, incidental, consequential, special, punitive, or exemplary damages arising out of or in connection with this Agreement or the Licensed Materials or Mods, even in the event of an NVIDIA Party's fault, tort (including negligence), strict liability, indemnity, product liability, breach of contract, breach of warranty, or otherwise and even if an NVIDIA Party has been advised of the possibility of such damages. Further, to the maximum extent permitted by applicable law, the aggregate liability of the NVIDIA Parties arising out of or in connection with this Agreement or the Licensed Materials or Mods will not exceed the total amounts you have paid (if any) to NVIDIA under this Agreement during the twelve (12) months immediately preceding the events giving rise to such liability. These limitations and exclusions regarding damages apply even if any remedy fails to provide adequate compensation.

Since some states or jurisdictions do not allow the exclusion or the limitation of liability for consequential or incidental damages, in such states or jurisdictions, the foregoing limitations of liability shall apply only to the full extent permitted by law.

10. Export

You acknowledge that the Licensed Materials are subject to export control under the U.S. Export Administration Regulations (EAR) and economic sanctions regulations administered by the U.S. Department of Treasury's Office of Foreign Assets Control (OFAC). Therefore, you may not export, reexport or transfer in-country the Licensed Materials without first obtaining any license or other approval that may be required by BIS and/or

OFAC. You are responsible for any violation of the U.S. or other applicable export control or economic sanctions laws, regulations and requirements related to the Licensed Software. By accepting this Agreement, you confirm that you are not a resident or citizen of any country currently embargoed by the U.S. and that you are not otherwise prohibited from receiving the Licensed Materials.

11. Privacy

You hereby agree and acknowledge that the Software may access, collect non-personally identifiable information to update and improve the Software. To the extent that you use the Software, you hereby consent to all of the foregoing, and represent and warrant that you have the right to grant such consent. In addition, you agree that you are solely responsible for maintaining appropriate data backups and system restore points for your systems, and that NVIDIA will have no responsibility for any damage or loss to such systems (including loss of data or access) arising from or relating to the use of the Software.

In connection with the receipt of the Licensed Software or services you may receive access to links to third party websites and services and the availability of those links does not imply any endorsement by NVIDIA. NVIDIA encourages you to review the privacy statements on those sites and services that you choose to visit so that you can understand how they may collect, use and share personal information of individuals. NVIDIA is not responsible or liable for: (i) the availability or accuracy of such links; or (ii) the products, services or information available on or through such links; or (iii) the privacy statements or practices of sites and services controlled by other companies or organizations.

To the extent that you provide to NVIDIA during registration, installation or otherwise personal information, you acknowledge that such information will be collected, used and disclosed by NVIDIA in accordance with NVIDIA's privacy policy, available at URL http://www.nvidia.com/object/privacy_policy.html.

12. Termination

Without limiting any other rights of NVIDIA, this Agreement will terminate automatically without notice if you fail to comply with any of its terms and conditions. You may also terminate this Agreement by deleting the Licensed Materials. Upon any termination, the License will automatically terminate, you may no longer exercise any of the rights granted to you by the License, and you must destroy all copies of the Licensed Materials in your possession.

Except to the extent required by law, all payments and fees are non-refundable under all circumstances, regardless of whether or not this Agreement has been terminated.

Sections 2, 5, 7-15, and 17-19 will survive any termination of this Agreement.

13. Governing Law and Jurisdiction

This Agreement will be governed by and construed under the laws of the State of Delaware and the United States without regard to the conflicts of law provisions thereof and without regard to the United Nations Convention on Contracts for the International Sale of Goods. The parties consent to the personal jurisdiction of

the federal and state courts located in Santa Clara County, California. You agree to the exclusive jurisdiction and venue of these courts.

14. Class Action Waiver

You agree not to bring or participate in a class or representative action, private attorney general action, or collective arbitration related to the Licensed Materials, Mods, or this Agreement. You also agree not to seek to combine any action or arbitration related to the Licensed Materials, Mods, or this Agreement with any other action or arbitration without the consent of all parties to this Agreement and all other actions or arbitrations.

15. U.S. Government Matters

The Licensed Materials have been developed entirely at private expense and are “commercial items” consisting of “commercial computer software” and “commercial computer software documentation” provided with RESTRICTED RIGHTS. Use, duplication or disclosure by the U.S. Government or a U.S. Government subcontractor is subject to the restrictions set forth in this Agreement pursuant to DFARS 227.7202-3(a) or as set forth in subparagraphs (c)(1) and (2) of the Commercial Computer Software - Restricted Rights clause at FAR 52.227-19, as applicable. Contractor/manufacturer is NVIDIA, 2701 San Tomas Expressway, Santa Clara, CA 95050.

16. Amendments of this Agreement

NVIDIA may issue an amended Agreement at any time in its discretion by posting the amended Agreement on its or Epic's website or by providing you with digital access to the amended Agreement when you next access the Licensed Materials. If any amendment to this Agreement is not acceptable to you, you may terminate this Agreement and must stop using the Licensed Materials. Your continued use of the Licensed Materials will demonstrate your acceptance of the amended Agreement.

17. No Assignment

You may not, without the prior written consent of NVIDIA, assign, transfer, charge, or sub-contract all or any of your rights or obligations under this Agreement, and any attempt without that consent will be null and void. If restrictions on transfer of the Licensed Materials or Mods in this Agreement are not enforceable under the law of your country, then this Agreement will be binding on any recipient of the Licensed Materials or Mods.
